PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 03/22/2019 and 10/22/2019.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number Nature of Noncompliance

4 **Special Condition #17:** Defendant shall abstain from the use of illegal controlled substances, and shall submit to urinalysis and sweat patch testing (which may include urinalysis or sweat patch), as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Mr. Grimm violated the terms of his supervised release by failing to appear for random urinalysis testing, on or about November 15, 2019.

On April 11, 2018, supervision commenced in this matter. That same day, a supervision intake was completed. Mr. Grimm signed a copy of his judgment acknowledging an understanding of the conditions imposed by the Court, which included the above-noted special condition number 17.

On October 11, 2019, due to use of illicit substances, Mr. Grimm was placed on random drug testing through Pioneer Human Services. Mr. Grimm was directed to call each day to determine if his color was selected. Mr. Grimm was advised to report to Pioneer on the days his color is selected and submit to urinalysis testing.
